Dear Greg:

On behalf of a grateful community, I want to express our appreciation for your assistance to the Village of Monroe with the 2008 Municipal Parks Grant.

The Village of Monroe is one of the fastest growing communities in the county. Although, the beautification of our downtown is one of the Board's priorities, working on a limited budget keeps enhancements of the park to a minimum. Currently, we have two volunteers who take pride and have worked very hard undertaking the flower planting in Crane Park for the past several years.

I thank you, Greg, for your support with the grant. The enhancement of the walking paths and additional benches will improve Crane Park for all ages.

Sincerely,

John M. Karl, III
Mayor
